

Overview of the activity

The aim of the activity is to increase the user's knowledge of ICT (hardware) and to keep up to date with current developments.

Objective of the activity

The aim of this activity is to enable users to follow hardware forums where they can discuss their ICT hardware knowledge with other users and learn positive or negative elements from one-to-one users.

Steps

What are the steps to complete the activity?

1. Go to the <http://www.hardwaremania.com/> website
2. Create a user account from communities menu.
3. Join the group you need for the discussions and information you need in the hardware area.

Evaluation of activity

The more time you spend on the forums, the faster you will realize that your hardware knowledge increases.

The screenshot displays the HardwareMania website interface. On the left, a user profile menu is open, showing options like 'Profil', 'Üyeler', 'Arkadaşlarım', 'Gruplar', and 'Etkinlikler'. The main content area features a news article titled 'NVIDIA GeForce 526.86 WHQL sürücüsü hazır' with a 'CALL OF DUTY: MODERN WARFARE II' image. Below this, there's a section for 'Tüm Bilgisayar Bileşenleri ve Yardımlaşma' (All Computer Components and Help) and another for 'Akıllı Telefonlar ve Geleceği' (Smartphones and the Future). The website has a dark header with the 'HARDWAREMANIA' logo and a navigation menu.
